THE WORLD NEVER BEFORE SAW SUCH A MASS OF HOME TESTIMONY GIVEN TO ANY OTHER MEDICINE. Hampton's Vegetable Tincture!

THE GREAT DISCOVERY OF THE AGE! READ! READ! READ! Joy to the World !- Hope for the Afflicted !- More Testimony from Home!

Baltimory from Home!

Baltimore, Sept. 11, 1861.

Messrs. Mortimer & Mowbray: I feel it a duty to make known the benefits I have derived from Dr. Hampton's Theture. For a length of time I have been subject to great prostration of muscular power, and great debility of the nervous system, accompanied with palpitation and fluttering of the heart. I had such sudden attacks that on one occasion I could scarcely get home. I making mention of my case to a friend, he referred me to Joseph K. Stapleton, osq., an old and highly respectable etizen of Baltimore, who had used the Tincture under similar circumstances. I called on Mr. Stapleton, and, after an interview of some minutes, I was fully satisfied of the medical virtues of the Tincture, from the evidence before me, of his own person, who, for some time previous, indicated a failing state of health, but now a hearty, hale appearance, with the activity of youth. I immediately commenced using the Tincture, and, before I took the contents of one bottle, my strength was renewed, and I can walk as brisk and am as active as I

and, before I took the contents of one bottle, my strough wost renewed, and I can walk as brisk and am as active as I was twenty years ago. This Tincture is the grand restorative of the digestive organs, which when destroyed, the whole system is in a state of suffering.

I do assert it is no humbug, but is, in reality, what it is represented to be by Dr. Hampton, the inventor.

Wonderful Cure of Hereditary Scrofula by Hampton's Vegetable Tincture! This certificate is from the pen of a gentleman whose name appears on the journal of Congress, one who is exten-ively and favorably known:

sively and favorably known:

"It affords me pleasure to state that Dr. Jesse Hampton's Tineture has effected a most extraordinary cure of my slave boy, Albert. The patient was three years old, and had the Serofula—(his father was scrofulous.) The boy was a moving mass of sores from head to foot; the upper lids of the eyes were much swollen, and turned inside out, exhibiting horrible mattering ulcers that protruded over the eye-balls so as to produce blindness. It is strange, yet true, this child, that I felt resigned to see die as a relief from suffering, has been restored to health under the treatment of Dr. Hampton.

"W. P. THOMASSON. " Louisvillz, March 20, 1851."

REV VERNON ESKRIDGE U.S.N. Greater weight of Testimony cannot be given.

PORTSMOUTH, VA., Aug. 18, 1851.

Mr. J. B. Boush—Dear sir: While I am, in general, opposed to patent medicines, candor compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my Tincture. For several months past I have used it in ramily: and in dyspepsia, loss of appetite, dizziness, and ge eral debility, with entire success. So far as my experient extends, therefore, I take pleasure in recommending it to tafflicted as a safe and efficient remedy.

I am, respectfully, yours,

Vernon Eskridge, safe and emicient Vernon Eskelder, ectfully, yours, Chaplain United States Navy.

Still another Witness for "Hampton's Vegetable Tincture!"

Tincture!"

This certificate is from one of our largest and most enterprising farmers—the owner of those splendid oxen exhibited at the late Agricultural Fair, and who, in person, did the ploughing, with the same, that took the premium. We mention this, as, before Mr. Horne took the Tincture, his condition was such as to despair of even visiting the Fair, much less taking such a laborious part as he did, to the astonishment of those who had seen his state a short time before: BALTIMORE, Feb. 4, 1852.

Massrs. Mortimer & Monobray—Genns: Having been afflicted with Chronic Inflammatory Rheumatism for some time, in its worst form, I tried every remedy that came within my reach, without any success; in fact, my sufferings increased with every new remedy I tried, until I was scarcely able to walk, from the dreadful pains and swelling in my limbs. I had also an ulcer formed on my right wrist, which gives me interes pain. which gave me intense pain.

When in this condition, Mr. Scott, Conductor on the SusWhen in this condition, Mr. Scott, Conductor on the Sus-

When in this condition, Mr. Scott, Conductor on the Susquehanna Railrond, with several others, called my attention to the many wonderful cures made by Hampton's Vegetable Tincture. I determined to give it a trial, as a last resort. You well remember my sufferings at the time I got the Tincture from you—they were almost past endurance. I am happy now to inform you that, in a short time after taking it, I was relieved from pain, and could walk without difficulty, and in about four weeks I was enabled to take the taken of the properties and the properties of the properties of the control of the properties of the propert dinctity, and in acoust four weeks I was enabled to take part in the ploughing match at our late Agricultural Fair. The ulcer on my wrist is now entirely cured, and I am in the enjoyment of the very best health, with no symptoms of my old disease; all of which I feel bound to say I owe to eat healing and restorative qualities of Hampt

My great confidence in it has induced me to recommend it to others, and I have also seen its good effects in a number of cases. My little daughter had been in bad health for some time: no medicine seemed to reach her case, or to do her any good, until I gave her this limited to the ton's, which soon restored her to robust health. I do therefore cheerfully bear my testimony in favor of this valuable medicine, and I wish you to send me a dozen bottles, that I may always have it at hand. Yours, respectfully, ELISHAP, HORNS,

Stronger-Still Stronger ! Stronger—Still Stronger!

Can any unprejudiced mind in the world ask stronger testimony or more convincing proof of the great restorative and curative powers of Hampton's Vegetable Tincture than given below? The writer is one of our most highly esteemed citizens, a man of integrity, and, it is extensively known, has been for a long time suffering under disease; his altered appearance now is a subject of remark, and gives additional testimony and weight to the certificate below. He is also the son of the old Doctor Dunan, whose great skill as a physician is well known to most of the oldest inhabitants of this city:

sity:

\*\*Baltimore, Feb. 9, 1852.

\*\*Messrs. Mortimer & Mowbray—Gentlemen: It is with real pleasure that I am able to attest to the general healing and curative powers of Dr. Hampton's Vegetable Tincture. Some time during last November! was taken with a very bad and serious cough. I was advised to take God Liver Oil, and did so, but, getting no better, I was induced to try your Tincture. I got one bottle, and, before I had used it, all my cough left me. Permit me also to state, that for the last fifteen years I have suffered very much from Acute Rheumatium and Verligo, confining me, at times, to my bed. I am fully convinced that I owe my present good health to the use of the Tincture, and a kind Providence.

\*\*You are, my friends, at liberty to use this as you may think proper; and believe me yours, very respectfully.

TO CURE A COLD, WITH HEADACHE AND SORE-NESS OF THE BODY, take the CHERRY PECTORAL on going to bed, and wrap up warm, to sweat during the night.

FOR A COLD AND COUGH, take it morning, neon, and evening, according to directions on the bottle, and the difficulty will soon be removed. None will long-suffer from this trouble when they find it can be so readily cured. Persons afflicted with a seated cough, which breaks them of their rest at night, will find, by taking the Cherry Perforat on going to bed, they may be sure of sound, unbroken sleep, and consequently refreshing rest. Great relief from suffering, and an ultimate cure, is afforded to thousands who are thus afflicted, by this invaluable remedy.

BE WISE IN TIME!

DR. BROTHERS'S Remedy for Cholcra, or Cholcra-Morbus, puts all competition at defiance, as being altogether the most effectual remedy to be found for this terrible disease; and where it is administered in time, according to the directions, it rarely fails to arrest the disease. In all cases a physician should be called as soon as possible; but, as frequently occurs, some time must necessarily clapse before he can arrive, and the sad experience of 1832 is a warning to every family to have some efficacious and active remedy to stay the fearfully rapid progress of this disease until his arrival. As the majority of cases are preceded by Diarrhoe, more or less violent, which, if properly checked, provents an attack of the Cholers, the Doctor would recommend his Diarrhoea Remedy, which will always invariably check it in a few hours. A cure will be guaranted, or the money refunded.
